

# AFOB MALAYSIA CHAPTER INTERNATIONAL SYMPOSIUM 2019

Asian Federation  
of Biotechnology

*Biotechnology for sustainability and social well being*

20-23 OCTOBER 2019  
Putrajaya, Malaysia

FIRST ANNOUNCEMENT

# 2<sup>nd</sup> AFOB Malaysia Chapter INTERNATIONAL SYMPOSIUM 2019

## Symposium introduction

AFOBMCIS is one of the annual event of Asian Federation of Biotechnology Malaysia Chapter (AFOB-MC). This year, it will be held in The Everly Putrajaya, Malaysia. The 2<sup>nd</sup> AFOBMCIS 2019 aims to provide a platform for local and international scientists, academia and industries to present their current research findings, sharing ideas and opinions in various biotechnological fields under the theme of *"Biotechnology for Sustainability and Social Well Being"*. Chaired by Prof Dr Suraini Abd Aziz and co-chaired by Assoc Prof Dr Phang Lai Yee, the AFOBMCIS 2019 organizing team hopes that this symposium will be a successful event with a world-wide participation to sustain our world through biotechnology.

Selected papers will  
be published in  
Scopus indexed
